

## FORTHCOMING BAPTISMS

Are you looking forward to the Baptism of your child? We are too! When the current restrictions are lifted, please be assured that we will do everything we can to provide availability, so that Baptisms are not delayed longer than necessary. However, we are still currently unable to give alternative dates.

## INFORMATION ON FUNERALS & MEMORIAL SERVICES

During current restrictions we are not able to have funeral services in church due to Church of England guidelines. We are able to offer two choices either a funeral at a crematorium or at the graveside. We are aware that many people will find this choice difficult especially if their loved ones had left instructions for a church service or simply they wish to have a church service for their family member. Therefore, in line with the Church of England guidelines our parish will be offering individual memorial services to remember their loved ones once current restrictions are lifted. Our intention will be to provide more information for these at a later date.

A simple funeral reflection is also provided to support for those who are unable to attend a funeral due to current restrictions. This can be found [here](#).

Please note that there will still be our traditional annual service for anyone to remember loved ones who have died. This will be on Sunday 1st November 2020 at 6.30pm.
