

## Alternative Worship Services

Alternative Worship is held at St Michael's on the first Sunday of the month at 6.30 pm. Please check the events page for dates and type of service.

### Taizé Worship:

A Taizé worship service involves sung and chanted

prayers, meditation, a period of silence, liturgical readings, and icons. There is no preaching. The style of prayer practiced at Taizé has attracted many worshipers from around the globe and from many different denominations. The prayers consist of "short chants, repeated again and again".

### Contemporary Worship:

This will be a different service each time but will use modern worship songs as opposed to traditional organ music.

**Iona Worship:** The Iona Community is an ecumenical community of men and women seeking new ways of living the gospel in the world. This worship uses the orders of service and many hymns that have been written by the community living and working at Iona Abbey in Scotland. Often based upon the desire for peace and justice, Iona Worship reflects the heart of the Gospel message.

### Healing and Wholeness

**Service:** Brokenness comes in many forms yet in God we can find healing, peace, wholeness and unconditional love.

This short service will seek to enable us to quietly explore our brokenness and gain a greater understanding of God's love for us.
